### Q. 27. In what did Christ's humiliation consist?

Christ's humiliation consisted in being born, and that in a poor circumstance; in being subject to God's law; in undergoing the miseries of this life, the wrath of God and the curse of death on the cross; in being buried; and in continuing under the power of death for a time.

### Q. 28. In what does Christ's exaltation consist?

Christ's exaltation consists in his rising again from the dead on the third day; in ascending into heaven; in sitting at the right hand of God the Father; and in coming to judge the world at the last day.
