Immediate Support Needed for Wycliffe’s Choctaw Bible Translation Missionary, Laura Christel – Laura has served with Wycliffe in Japan, Cambodia and with the Choctaw translation team. She was recently asked to serve full time as Wycliffe’s Program Coordinator to translate the Bible into the Choctaw language; work on the NT is almost complete! This work is being done within and for the benefit of The Mississippi Band of Choctaw Indians, so this is very much a “local” work. Laura had 75% of her support as of Friday – her deadline was extended to TODAY. See attachments to this email for additional information— or speak with Keith or Sarah Ellen Parish. If interested, you can give online at https://www.wycliffe.org/partner/LCHorlings.

The Missions Committee will meet after church today to consider supporting Laura from our church missions budget.

Deacon’s Meeting today at 2:00 pm.

Prayer Meeting – A reminder that a group meets 6:00 pm Wednesday evenings at the church for prayer. All would be welcome to join us for this informal opportunity to pray for personal needs, church and Academy concerns, the community and the world. (We are careful to practice social distancing.)

Many Thanks to Donna Perkins and her team for providing meals for the Long and Rogers families these past few weeks. Donna is our Women’s Ministry Meals Team leader and has done an excellent job, not only with food preparation but leading the way in gracious hospitality. Special thanks also to Mary Sorensen for the beautiful décor and to many others who helped!

Living Stones Building Update: Praise the Lord for His abundant provision of capable workers, décor guidance and financial donations – we have truly been blessed throughout this process! We will soon have kitchen appliances, tables and chairs and are in the process of purchasing room dividers. We’ve come a long way – but are not done yet. So keep praying for the completion of this building. GIVE GOD THE GLORY!
